ACIIDS 2013 is an international scientific conference for research in the field of intelligent information and database systems. The aim of the conference is to provide an internationally respected forum for scientific research in the technologies and applications of intelligent information and database systems. This conference will provide an excellent opportunity for researchers to discuss modern approaches and techniques for intelligent information and database systems, and their applications.

The proceedings of ACIIDS 2013 will be published by Springer in series of Lecture Notes in Artificial Intelligence LNAI (indexed by DBLP, EI, Scopus, and Thomson ISI).

The scope of the conference includes, but not limited to, the following topics:

### 1. Intelligent Information Systems:

### 2. Intelligent Database Systems:

### 3. Tools and Applications:

CANCELLATION POLICY

Cancellations received in writing 30 days prior to the conference are eligible for a refund, subject to 15% cancellation fees. Cancellations received less than 14 days from the date of the conference are not eligible for refund. Substitute attendees are however welcome.

Please note that the speakers and topics are confirmed at the time of printing. However, circumstances beyond the control of the organisers may necessitate substitutions or cancellations of speakers and/or topics. As such UTM SPACE reserves the right to substitute or cancel the advertised speakers and/or topics.

UTM SPACE reserves the right to make any amendments and/or to cancel the event if warranted by circumstances beyond its control. Terms and conditions apply.
